# Our School's Location

The address of the International School of Stuttgart Degerloch campus is Sigmaringer Str. 257, 70597 Stuttgart and it is located a 10–15-minute walk from three U-Bahn (train station) stops: Degerloch, Degerloch Albstraße, and Peregrinastraße. These stops are located on the U12, U6, U5 lines, which all pass through Stuttgart city Centre. They are also located on the U8, however this does not pass through Stuttgart city Centre. If you are coming from the airport, you will need to take an S-Bahn from there to an S-Bahn station which also have connections with the U-Bahns. Here you can connect and get to our school. The airport, our school, and the downtown (city Centre) are all indicated on the map below. Train tickets will be provided and paid for by the delegate fee for all those who need them.

Here is the website to the train system where you can direct yourself: [Found here](https://www.vvs.de)

# Important Stuttgart Rules and Regulations

If any of the following information is to be disrespected or broken throughout the conference by a participant, no executive member of the MUNISS team will be held responsible.

## Transport

The following rules and regulations are set for all public transport users in Stuttgart:

- Mask wearing is mandatory both inside of the train as well as on the platforms and walking around stations.
- 15 years of age and under → must be on their way home by 10pm if not with an adult and are using public transport. Our recommendation is that if participants are so young, they aim to be home by 10pm rather than on their way.
- 16-17 years of age → must be on their way home at midnight if they are using public transport. Our recommendation again is that participants of such age aim to be home by midnight rather than on their way.
- 18+ → participants over 18 are adults and can legally stay out until whenever they please.
- NOTE: Public transport is reliable in Stuttgart however accidents can happen, so we recommend anyone exploring Stuttgart to check the status of their type of transport.

## Drinking

The following rules and regulations are set for all those who live and visit Stuttgart:

- If you are age 15 or younger, it is illegal to take or be under any kind of substance.
- If you are age 16 or 17 you are legally allowed to drink either Beer or Wine **only**.
- If you are 18+ you are legally allowed to drink all types of alcohol
